I hope everyone had a good time at the ball. I would like to thank everyone that helped with The Ball. Without them there it would not have been possible.

The silent auction went well, there were several people that bid on the same things which made the night interesting. The picture frames were a big hit. Thanks to Judi for the great idea. The only bad thing was on Sunday when the elevator broke and Clive had to make many trips down to the main lobby from the fifth floor.

We had 3 princess attend the ball who all looked beautiful in their gowns. The music was great and got almost everyone up including my wife and I.

Don't forget the directory will be discussed at the meeting, any ideas will be welcomed. See if you can get some ads. Don't forget the renewal forms are due as soon as possible.

Don Gortowski 856-848-1408

Our Commodore's Ball was a complete success. We had members from 20 different Yacht Clubs and organizations. Our total attendance was 78 people. We can thank our Commodore Jerry Cook and his lady Judi for all the work and time they spent attending numerous balls.

I would like to thank all the TOBCA members that Helped to make the Ball one of the best on the bay this year.

Lets all help Brian Toner by letting him know what cruises we want to go on this summer.
