We're getting close to the 2003 cruise schedule, let's all help Brian with the difficult job of getting information for cruising. It is hard work to make arrangements when you don't know who will be attending.

At next meeting we will be having a drawing for one over night stay at Baltimore Inner Harbor Marina, price of tickets for drawing will be two dollars a piece or three for five dollars.

Hope to see all of you there and good luck

Rear Commodore's Report

Erni Heiser (410) 544-4230

By now, everyone should have received their membership cards for this year. If you have not received them, please let me know and I will get another set out to you. Membership dues are now PAST DUE. All members that have not renewed have been notified and were told that they had until April 15 to get a check to Jane Wiertel (our treasurer). This will be the last newsletter for members that did not renew.

The weather is getting warm and a lot of us are looking forward to a new boating season. I hope to see many of you on our cruises and/or land affairs that are being planned.
