## Commodore's Report

Jerry Cook 610-623-8955

Hi everybody. We are looking forward to the vacation trip.

We are looking into having picnic on August 16th. We are going to reserve the date at Crystal Beach.

I am very excited. Judi bought me a 3-seater Wave Runner. We are having a lot of fun with it.

I hope that everyone is surviving our wet weather and I wish everyone a pleasant and safe boating season.

## Vice Commodore's Report

Don Gardner 856-348-1408

Hi Mates.

A few weeks ago we brought our boat down from Big Timber Creek in New Jersey to the Bohemia Bay. After hitting a fish net in front of our Marina and two hundred fifty dollars later we were ready for our trip to the Bush River Yacht Club Opening.

At the openings Jane, Yo, Vera and myself represented our club.

The Bush River Yacht Club furnished us with transportation to the Ventnor Yacht Club and then onto the North Point Yacht Club opening. We wined up back at the Bush River Yacht Club where our Past Commodores Dave and Pat Harris had joined us for the opening. We had a great time.

The 2003 directories are in the mail. Hope to see you all at our next meeting.

## Fleet Captain's Report

Brian Toner 610-328-0989 [brian@tonersound.com](mailto:brian@tonersound.com)

There seems to be little interest in the cruises that are scheduled. If you have other places or ideas that you would like to do, please drop me an e-mail. The beginning of the vacation cruise as well as Cape May have been cancelled due to low interest.

I have been sending out e-mails with cruise information so that the information is more timely. If you are not receiving the e-mails, please let me know.

I am still looking to replace the Cape may cruise with another destination. Please let me know if you are interested in going anywhere.
