Sorry we had to cancel our meeting on Sunday. After sitting with a man who fell on the ice at work in the last storm who is still recovering from a serious concussion, and Vera calling to tell me it was snowing in Kent Island, I could not even consider having a meeting.

I hope to see many of you Next Sunday, March 4, 2007 at 2:00PM at the Northeast VFW. And of course at the Our Ball on the 10<sup>th</sup> of March.

I have gotten a lot of use from my Uniform as we have been to many Balls. We have met so many interesting People. But best of all they all make you feel so welcome. Also we have made some new friends.

Hope Spring springs early for us. I'm getting more excited about our Cruises.

Inez McLean had knee replacement this week

Vera and I called Jack and Candy Varnes as we were passing Jupiter, Fl. . When we were on our way to the Orlando Air Port we received a call from Candy , Jack and her had just returned from a Caribbean Cruise and she had planned to golf with Jack next week. Keep praying it does work.
