Well another summer vacation is just a memory now. Talk about hot vacations, this was a mighty hot one. I think when all is said it was a very nice trip. The places we went and the order of them was great. Great Job Stan!

Thanks to Nellie we had a couple of games but with the last one, we got washed out. The heavens opened up, with thunder and lightening with blinding rain. I have a feeling the Lord above put an end to men feeling ladies legs was pushing it.

At least it cooled off for the last couple of days.

I hope to see many of you at Todd's Lot up the Wye River.

This is always great fun. And for those who can not make it by boat. You can come down on Sunday for Brunch, at 10 AM and our Meeting will follow at 12 noon and you are welcome to stay the day and have dinner with us. Call or email P/C Jane Wiertel cell #717-578-2360 or warnerf@prodigy.net on what to bring, dinner will be served at about 5 PM. People coming by boat need to bring ONLY one dish for breakfast, one dish for dinner

This is the time of the year for me to be choosing a nominating committee. I have asked the following people, Fred Koontz, & Erni Heiser. If you would like to become an officer and work your way up to Commodore., please let any of the board or nominating committee know. Please don't be shy. We all have done our best to grow and run as a well oiled Wheel. It takes a full crew to keep the ship running smoothly.

Well our great vacation cruise was lots of fun, some partying and VERY HOT! All who joined in should have had a great time thanks to Stan for all his efforts.

Our boating season is slipping away, but if anyone is going on a solo or with another boat and would like some company, please call Nellie or I, as we are always looking for a good excuse to cast off.

Nellie and I are considering taking our boat south, to Myrtle Beach, this winter and were wondering if any of our members have taken the ICW down south of the Bay. Would love to hear from anyone who has. Safe boating.

Mark your calendar for our Holiday Party December 09, at the Chesapeake Inn, Chesapeake City, MD.

Also mark your calendar for our Commodore's Ball March 15, 2008.

Fred and I really enjoyed the week's cruising trip with all of you that had attended. We were happy to see so many boats join in on all or some of the week's cruise. It was especially nice to see the Weaver's, which I believe was their first time cruising with us. Hope they had as much fun as we did. We ended our cruise at the Miles River Yacht club where some of our members joined us by car, which was great. Always glad to see you guys! We ended our trip with a night of drinking and dancing, of which I think Luigi out danced Michele, Karen, Marsha and myself, but we tried to keep up. Thanks Luigi for a great time.

We had our August meeting on our week's cruise at the Miles River Yacht Club. I believe the September's meeting will be Labor Day week-end, at Todd's lot, and the October meeting will be held during the frost bite cruise. So here's the deal, how about making our November meeting a pot luck at one of the member homes. If anyone is interested in volunteering their home for this meeting please call or E-mail me. Thanks again Stan for all your effort and looking forward to seeing many of you at Todd's lot.

Thanks to all that helped out over the week cruise. We had a total of 12 boats. Thanks again Bobby Faulkner for those great drinks. Almost everything went smoothly.

The couple that bought Vera's White Sands really worked hard to get the place ready for the season. Working 18hr days for 3-4 Months.

They did a great job and have a lovely pool and refurbished the Docks. However they do not have a marine radio so you need to call them by telephone. They went all out for us. If you get a chance to go before the end of the season, tell them Stan from TOBCA sent you.

If anyone is interested in coming to Todd's Lot for Labor Day weekend please call the fleet captain. It is 1st come 1st Serve on any space available. PLEASE call ASAP.....410-275-9140

Or email at StanBerko@fcc.net

Note: Space is limited so please try to make your reservation ASAP

Sun Shine Report

“Our prayers are with our members who need healing”

Candy Varnes past away we will miss her. Jack Varnes writes: I would like to thank the members of T.O.B.C.A. for their express of sympathy; it provided much needed comfort at this time of sadness. Candy and I had so many wonderful times boating with the club. We also made friends with so many other club members. The balls, openings, Todd's Lott and the dingy race, were only a small part of boating Candy loved. After working at the house all day she would love to just go to the boat for what she called a sit down. We would have a couple of beers and reminisce of the places and things we did or were planning.

Again thank you for your thoughts and prayers Jack
