I think we are slipping .....I did not see any Wild Westerns or Indians at Todd's Lot (aka Betty & Nolan Todd's Home), but I sure did see some Wild Wild Easterners and Crab Lovers. Our days at Todd's Lot were the best I had all summer. The weather was MAGNIFICENT

Join me in Thanking Betty & Sonny for their hospitality. They did not just let us use their dock and electric, Shanty, and picnic area but they also did an enormous amount of work. They treated us like guests, supplying us with ice, cooking, cleaning up preparing the area & borrowing picnic tables etc, etc..... and much more that I probably don't see.

Another year has flown by. For TOBCA it has been good. I think we have had at least one new member at every meeting. I hope that means we are going to have the largest Annual Meeting on October 21, 2007.2:00PM

Details will be enclosed for the time and place for the meeting. I would also like to invite everyone to my home for Coffee, desert and after dinner cocktails. I live close by to where we are going to meet so and for most, on the way home.

This is a message mostly for the new members, but would like to remind all to be sure to let us know if there is anything you think of that might be good for the club to let us know. I have belong to many organizations over the years and have found the some people are shy about coming forward with ideas or even complaints.

If we are not informed we cannot take action.

Thank you Betty & Nolan Todd

Well it's mid September already, where did the summer go? We all had lots of great boating memories, the most recent was Todd's lot over Labor Day week-end. What a good time was had by all who attended. We had great weather, crabs and many were introduced to "Red Neck Golf", with a group Of about 20 experiencing Red Neck Golfing.

Our last club cruise of the season is the frost bite cruise at Anchorage Marina. Of course our Christmas party is 12/2/07 and I'm looking forward to seeing all of you there. Safe boating!

Fred and I were really happy that our boat was fixed in time for us to go to Todd's lot for Labor day week-end. We had a great time there, like always! I would like to thank Betty and Sonny for all their hard work, before and during the week-end, they are what makes this boat cruise so special for all of us.

I'm sorry to say Fred and I will not be joining the group for the Frost Bite Cruise, unfortunately we have another commitment. We will see you at the October meeting. Anyone in the Three C's skit please plan on staying after the meeting for a skit rehearsal. For those of you in the skit if you can't make the meeting perhaps you could just make the rehearsal which will be a hour later.
