#### Commodore Report:

What a great attendance, 38 members, we had at the three C's ball in Ocean City last weekend. Thanks to all of you that were there. As many of you know, back in October, Nellie and I brought our boat down to Myrtle Beach for the winter. We will be returning to our boat after the Bush River Commodore's Ball this Saturday. If anyone needs to reach us during the next six weeks please call Nellie's cell phone, 443-618-0449. For anyone that has the urge to wander south during this time we would love to have you stop in and see us. We are staying on our boat at the Grande Dunes Marina, with the exception of February 13-24, when we will be in Florida for the Miami boat show. If you have plans on attending the show please let us know so we can get together for drinks, dinner or just to say hello. Hope you all had a safe and happy New Year.

#### Vice Commodore Report:

Fred and I attended the three C's Ball in Ocean City this past weekend and had a great time as always. One of the best parts was the skit our club put on for the Commodore on Friday night. The theme for the weekend was "Wild Wild West", so the men dressed up in their cowboy outfits and the girls were Miss Kitty's saloon ladies. We all lip sang a song I wrote for the Commodore, "Friends in Low Places modified to Friends in Boating Places". The saloon gals danced a GREAT can-can. We didn't win a prize but had a lot of fun doing it! I would like to thank Linda Monn, Bobby Faulkner, Joann Wheelly, Lori and Bob Cubberley, Luigi Toto, Michele Udinski, Vera and Don Gortowski, Al and Janet Adamitis, Barbara and George Jefferson, , Yolanda Hales, and Clive Crosbie for all their hard work and hope they had as good of a time as I did. Looking forward to see many of you at our ball in March!
