Commodore Report:

I have to mention how pleased I am with the great attendance we have been getting at our monthly meeting. Our April 27 meeting had over twenty members on hand. I consider this a great sign of the interest and support for our club and evidence that we are giving our members what they feel is important. A great part of that is the fine cruise schedule our Lt. and Fleet Captain have prepared for all of us.

Looking forward to our first cruise to Rock Hall {Chestertown Tea Party}.

Vice Commodore Report:

Fred and I have been so busy bringing our boat down to Myrtle Beach, spending our winter down there, and then bringing our boat back home, which took 15 days. We are now spending time on chores at home that have been put off for the past year. We just finished painting the outside of our house, power washing the decks, and working in the yard. We have not had time to attend any yacht club openings so far, but hope to start this week-end. Thankfully we have had Vera and Don representing our club at most of the openings. A personal thanks from Fred and I to Vera and Don. Looking forward to seeing many of you at Rock Hall.
