Commodore Report:

Well we are half way through boating season and our cruise to the Maryland Y.C. was fun but sparsely attended. Nellie and I drove over to join our fun loving group for a great weekend. Please look over our upcoming vacation cruise schedule and see if you can join us for all of the week or pick out 1 or 2 stops to join us.

At Eastern Yacht Club Opening we received a plaque for distance.

This past weekend Nellie and I attended a great party at North Point Y.C., which was held to honor and help Rabbit Johnson (king of the Chesapeake). He is battling a very severe infection for over two months and has been hospitalized. On top of all this his wife is having health problems too. And we think we have problems with the fuel prices, etc.!

Anyway let's not find a reason to stay in port, let's find a way to join in and cruise. Hope to see you on the vacation cruise!

Vice Commodore Report:

I'm sad to report that I am still recovering from my foot operation. It's looks like I can start walking without the BIG boot in about a week. Hopefully I will be walking with no problems by the time our vacation cruise is here.

Looking ahead, I still need volunteers for our Ocean City skit in January. Below are the positions I need people for:

WOMEN	MEN	EITHER
1 Tourist	1 Tourist	1 Sign Holder
1 Hooker	1 Hooker customer	2 Back Drop Holders
1 Yankee Player	-1 Oriole Player	- 1 Fireman - 1 Policeman 1 Army, 1 Navy -1 Air force -1 Marine

There will be no talking or singing in our skit this year, all you need to do is walk out on the stage. If anyone is interested in helping out with the skit please E-mail or call me. Hoping to hear from many of you! Have a great summer.

For Sale

I have the heads and tins from my old engine. The heads, valves, seats and tins are in great shape and I'm trying to sell them. As you are aware, they are from a 1988 vintage Crusader Model 350 cubic inch, 270 hp. Marine engine. I would like to get \$300 for the pair, at the very least.

Thanks, Charlie Fitzgerald CFitzgerald@CBIZ.com
