#### Commodore's Report:

Fred and I are back down in Myrtle Beach for our Home Owners Association meeting. . The weather is beautiful here but it is starting to get crowded with all of the vacationers coming to enjoying the beach. We will be back by May 7th and looking forward to attending some of the Yacht Club openings. Unfortunately Fred and I do not have our boat ready for our first cruise yet! We need to have some work done on the boat and they said we can bring it in to them the week-end of May 8th and it will then take ten days to complete the work, I hope their right! I hope the rest of you have your boats cleaned, stocked and ready for cruising. It looks like Luigi set up a great cruising schedule for us this summer and I'm looking forward to seeing a lot of you at them. Happy Mothers Day to all

#### Vice Commodore

Well, I think winter is finally over. I just hope this rain will let up. The summer boating season is just about to start and hope we all will have a great, enjoyable, & safe season.

Peggy and I, Don & Vera went to North East River Opening Saturday and had a great time seeing many of the friends we have made over the years. It was also very impressive because even the small ones of the clubs family's were dressed up for the occasion as the Jr. Court.

Don & Vera went to Galloway Yacht Club Opening. Yo, Clive, Vera & Don went to Ran-Del Y.C Opening. Every Yacht Club member is invited to all the club openings. Just go to the CBYCA site for the list.
