#### Commodore's Report:

Fred and I did not make our club's first cruise to Rock Hall Memorial Day week-end, due to work being done on our boat. However we did drive down Sunday morning for our club's monthly meeting. I was pleased to see so many of our members there. Thank you to all who made the cruise and to all those that made a special trip to attend our meeting on Sunday. After the meeting a group of us went into Chestertown for the boat race, which was a lot of fun, as usual. Meanwhile Vera, Don, Yo and Clive rushed off to Baltimore, by boat, to attend their opening ceremony. Thanks to all four of you for making such an effort to represent our club. I would like to also thank Luigi for all his time and effort that he put in to make Memorial Day weekend cruise such a success.

Our boat is now ready for cruising and I'm happy to say we are taking it to the Maryland Yacht Club this weekend for their opening ceremony on 6-6, and the Queen of the Chesapeake Pageant on 6-7. Like I've said before, if you have never been to a Yacht club opening you don't know what you're missing. I am looking forward to seeing many of you on our July 4<sup>th</sup> weekend cruise. Have a safe and fun cruising summer!
