#### Commodore's Report:

I hope everyone is enjoying their summer and is taking time off of their busy schedule for some boating fun. The clubs cruise week was a great success; unfortunately Fred and I were not able to attend the entire week due to boat problems. We joined the club the first weekend at Eastern Yacht Club for their crab feast, it was great! After getting our boat fixed we joined everyone for the last weekend of the trip at Rock Hall for the Pirates and Wenches party. It was a great trip! I would like to thank Luigi for a great job arranging the vacation week around all the activities that were going on.

This past weekend Fred and I took our boat to Kent Island Y.C. We had a nice dinner and listened to a GREAT band. Commodore Fred Chew, other officers and club members went out of their way to thank us for staying at their club and supporting them. I'm looking forward to seeing many of you at our Labor Day trip to Tolchester or at least on Saturday for the yearly Commodore's picnic, 4:00pm Please bring a side dish or dessert

#### Vice commodore's report

Hope everyone on the vacation cruise had a good time. As for my crew we all enjoyed the cruise. We also extended our trip for an additional week which was great.

See ya all at the Labor Day Weekend picnic, and meeting.

Also, don't forget I will be moving up to be Commodore at the October Meeting and I hope many of you will come forth and volunteer to be part of my Bridge and committees. Thanks, Stan Berkowitz

Fleet Captain Report

Our Memorial Day trip was a lot of fun. Great food, watching the carboard boat race, spending time with friends and the weather was with us.

I attended my first opening at Great Oaks Yacht Club. They had a great breakfast for us.

Trip to Chesapeake Beach was a lot of fun , they had a great water park.

The 4th of July trip to Mears Great Oaks Marina was a success “ barbeque on the beach” there was plenty of BBQ chicken for everyone, & the sides everyone brought were delicious, the fireworks right were we were on the beach. Our dogs even enjoy the swim. It was great to see so many members come.
