Commodore's Report:

Well Luigi arranged another great trip for us on Labor Day weekend. We had a cocktail party on Friday night and a picnic on Saturday. The day of the picnic was hot and sunny but we all managed to stay some what cool and out of the sun. Poor Fred was having back problems on that day Fred was unable to help due to back problems so Luigi stepped in as our master chef on the grill. I would like to give a special thanks to Mike Handzo for bringing his big grill and Luigi for cooking and sweating over it for our picnic. I would also like to thank all of you that helped setup and break down for the picnic. The food was good and company was great! Thank you all for taking the time to come, by boat or car, for our annual picnic.

I am happy to announce that my daughter Kimberly and her fiancé Jay Sachs were voted in as new members of our club at this past meeting. We will all (myself, Fred, Kim, Jay, and my two grandsons) be attending the Maryland Yacht Club Family Day on September 25 and the frostbite cruise on Oct.2,3,4. Hope to see many of you at both affairs or at least one. Happy boating for all long as you can!!!
